INDEPENDENT AUDITOR'S REPORT

to the members of

Zbór Stanowczych Chrześcijan w Rzeczypospolitej Polskiej

Poznań, October 6, 2020

THE POWER OF BEING UNDERSTOOD
AUDIT | TAX | CONSULTING

INDEPENDENT AUDITOR'S REPORT

to
the members of

Zbór Stanowczych Chrześcijan w Rzeczypospolitej Polskiej

Opinion

We have audited the annual financial statements of the Entity **Zbór Stanowczych Chrześcijan w Rzeczypospolitej Polskiej** (hereinafter: "the Entity", "ZSCH") with its registered office in Wisła comprising:

- balance sheet as at 31 December 2019;
- profit and loss account for the financial year from 1 January 2019 to 31 December 2019, hereinafter referred to as "the attached financial statements".

In our opinion, the attached financial statements give a true and fair view of the financial position of the Entity as at 31 December 2019 and its financial performance for the year then ended in accordance with applicable provisions of International Financial Reporting Standards (hereinafter: "IFRS").

Basis for opinion

We have conducted our audit in accordance with the International Standards on Auditing (further ISAs). Our responsibility under those standards is further described in the *Responsibility of the statutory auditor for the audit of the financial statements* section of our report.

We are independent of the Entity, in accordance with the Code of Ethics for Professional Accountants of the International Federation of Accountants ("IFAC Code") adopted by the resolutions of the National Chamber of Statutory Auditors and other ethical requirements applicable to performing audits of financial statements in Poland. We have fulfilled our other ethical requirements in accordance with these requirements and the IFAC Code. During the audit, the key statutory auditor and the audit firm remained independent of the Entity, in accordance with the independence requirements set out in the Act on statutory auditors.

We believe that the audit evidence we have obtained in the course of the audit are accurate and adequate to form the basis of our opinion.

Responsibility of the Management Board for the financial statements

The Entity's Management Board is responsible for the preparation of the financial statements, which present a reliable and fair view of the financial situation and financial performance of the Entity, in accordance with the provisions of IFRS and the Entity's Articles of Association, as well as for such internal control as the Management Board determine is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

In preparing the financial statements, the Management Board is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the

going concern basis of accounting unless the Directors either intend to liquidate the Entity or to cease operations, or have no realistic alternative but to do so.

The Entity's Management Board is obliged to ensure that the financial statements fulfil the requirements provided for in IFRS.

Responsibility of the statutory auditor for the audit of financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements

The materiality principle is applied by the statutory auditor in the process of planning and conducting the audit as well as determining the impact of misstatements and unadjusted misstatements identified in the course of the audit, if they occur, on the financial statements, as well as when forming the opinion of the statutory auditor. Due to the above, all opinions and statements included in the report on the audit are expressed taking into consideration the quality and value of the materiality level determined according to the standards on auditing and professional judgement of the statutory auditor.

The scope of the audit does not include any assurance concerning the future profitability of the Entity, nor the efficiency or effectiveness of managing its affairs by the Management Board, currently or in the future.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional skepticism throughout the audit and we also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control;
- assess the appropriateness of accounting principles (policy) used and the reasonableness of accounting estimates and related disclosures made by the Management Board;
- conclude on the appropriateness of the Management Board's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern;
- assess the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Other information

During our engagement we have also performed a verification – in significant respects – of:

- receivables and liabilities due to related entities,
- costs and revenue recognized in profit and loss statement as well as
- intended use of the church building in Ustroń-Nierodzim

On the basis of the work performed in the course of the audit, in our opinion, the above mentioned receivables, liabilities due to related parties as well as costs and revenues have been recognized correctly. In terms of the church building in Ustroń-Nierodzim, we may confirm that this building, currently under construction, is going to be the Christian Conference Center, on the basis of information we have gathered during our audit.

The key statutory auditor responsible for the audit on behalf of RSM Poland Audyt S.A., entered to the register of audit firms under no. 3077, which has resulted in the report of the independent statutory auditor, is Piotr Staszkiwicz.
